

Backgrounds Online is here to assist you in selecting the best solution, and ultimately find the perfect person for your open position by bundling our most popular search options into 4 pre-set packages. However, if you would prefer to build your own custom report from the ground up, we're happy to accommodate any specific screening requirements you may have.

Basic Package

A simple, cost-effective screening solution, we consider this option a good introductory background check and typically recommend it for stationary applicants who have lived in a single county or federal district for the reportable scope of 7 years. If you need a minimal, low-cost solution, this package may be suitable for you.

Included Products

- Social Security Number Trace
- County Criminal Court Search*
- National Criminal Database Search
- Sex Offender Registry Search
- Terrorist Watch List Search

Standard Package

One of our most popular screening solutions, the Standard Package focuses primarily on criminal history. This option offers multi-jurisdictional criminal searches in conjunction with a wants & warrants check and a sex offender search, both on a national level. Where the Basic Package is limited to a single county criminal check, this option extends to 3 counties.

Included Products

- Social Security Number Trace
- County Criminal Court Search*
- Federal Criminal Court Search
- National Criminal Database Search
- Sex Offender Registry Search
- Wants & Warrants Search
- Terrorist Watch List Search
