

BACKGROUNDS ONLINE NEWSLETTERS

August 2016

It's been a while since our last Newsletter, and we're excited to start again. We'll send a new one each month with important information about background screening, FCRA regulations and other topics that impact your business.

Our team keeps up with federal and state regulations that govern background screening and hiring practices. We also watch for news stories that are relevant to our customers. We're excited to provide useful information in future Newsletters that can help improve your screening process and protect you from lawsuits or other liabilities.

The entire team at Backgrounds Online is dedicated to providing unparalleled customer service. We're more than a background check company - we are your partner throughout the hiring process. Our expert staff is highly trained and prepared to help with all of your employment screening needs.

If you have questions about our services, employment screening or related topics, please contact us. We're ready to help, and may cover your topic in an upcoming Newsletter.

Thank you for partnering with Backgrounds Online.

BACKGROUNDS ONLINE NEWSLETTERS

2016 NAPBS Conference

We're attending the 2016 NAPBS Conference to get the latest information on important topics, including:

- Screening Techniques
- Ban The Box Legislature
- Compliance Issues

Our team stays current on these and other important topics that affect your business. Watch for news and details about the 2016 Conference in upcoming Newsletters.

How High Is Your Employee Turnover Rate?

Does your business suffer from a high turnover rate? The best way to fix this problem is to understand why it's happening and makes changes accordingly. We suggest reviewing your onboarding process, properly screening every applicant, and making efforts to recognize why people leave.

Learn more in our recent blog entry: [Five Ways To Improve Your Employee Retention Rate.](#)

What's New At Backgrounds Online?

We're always working on great things for you! We recently announced our new FACIS search service, and will be introducing exciting site enhancements and useful new features soon.
