Over Qualified

These statuses serve as triggers for initiating a background check, sending notifications when a background check is in progress and alerting you when results are ready to review.

To connect your BambooHR and Backgrounds Online accounts, [login to BackgroundsOnline.com](https://backgroundsonline.com) and navigate to the Integrations section.

Integrations

Settings Invoices Pricing **Integrations**

Bamboo HR

Connect your BambooHR account to initiate background check requests on candidates once they reach a chosen status in your hiring flow.

Configure your subdomain

BambooHR Subdomain .bamboohr.com

Connection Status 

Save

Cancel

Configure your subdomain by entering the first portion of your BambooHR URL and clicking the Save button.

Supported Applicant Tracking Systems

Integrations

Bamboo HR

Connect your BambooHR account to initiate background check requests on candidates once they reach a chosen status in your hiring flow.

Configure your subdomain

backgroundsonlinesandbox.bamboohr.com
Connection Status 

Once the connection is complete, you're returned to your Backgrounds Online account. The Status will indicate a successful connection.

Configure your package options

Select the Bamboo HR status you'll use to initiate a background check request and the package you'd like to use for each request.

Select Initiate Status

Background Check Request 

Select Package

Standard State 

Designate the BambooHR hiring status you wish to use to initiate a background check and the default package.

Cancel

Save

Configure your results notifications

Select the Bamboo HR statuses you'd like to use for receiving background check processing and results notifications.

Select Pending Status

Background Check Started 

Select Completed Status

Background Check Completed 

Cancel

Save

Finally, designate the Bamboo hiring statuses you'd like to use for in-process and results notifications.

 **BambooHR Hiring App**
Review resumes, email candidates, and more with the BambooHR Hiring app.
Get it free for [iOS](#) or [Android](#).

You're now ready to initiate background checks. To do so, navigate to the candidate you'd like to background check and update their hiring status to the one you previously designated.

*Please note, the candidate must remain in background check request status for 5-10 minutes in order for our system to locate the request. The status will automatically update once the request has been emailed to the candidate.

Background Check Request

Support (Backgrounds Online) <support@backgroundsonline.com>

Saturday, June 6, 2020 at 7:00 AM

To:

**backgrounds online***Background Checks & Screening Solutions*

Background Check Request

Dear [REDACTED],

Backgrounds Online APPSS CC has partnered with Backgrounds Online to run your background check.

Simply click the link below to securely sign the electronic consent forms and provide the personal information necessary to run your background check.

[Begin Background Check](#)

Please note: your background check link is specific to you and is time sensitive.

Questions? [See our FAQs](#)

Thank you,
Team BGO (Backgrounds Online)

Once your request is picked up by Backgrounds Online, your candidate will receive an email prompting them to sign the necessary compliance documents and submit the information necessary for background screening.

When your candidate submits the information we need to process a background check, their profile's hiring status will update to reflect the status you've designated as the in-process indicator. Additionally, you'll receive a convenient note containing a Backgrounds Online link you may copy/paste into your browser to obtain more information on the order.
