About the Baker's Dozen

The Baker's Dozen, an esteemed annual compilation curated by HRO Today, spotlights the foremost background screening companies in the United States, drawing insights directly from your feedback. Participants respond to a comprehensive 40-question survey, evaluating their satisfaction with the services and products we've provided.

Your Feedback

This acknowledgment for the sixth consecutive year is a testament to your trust and collaboration. Your invaluable input, shared through the survey, has been instrumental in securing our position on this distinguished list. We extend our gratitude for taking the time amidst your busy schedules to share your opinions and experiences.

To qualify for the Baker's Dozen, providers must excel in three core categories: breadth of service, size of deal, and quality of service. Your feedback reflects our commitment to these vital aspects, reaffirming that we're on the right path.
