

Backgrounds Online was Named a Top Background Check Provider in 2024

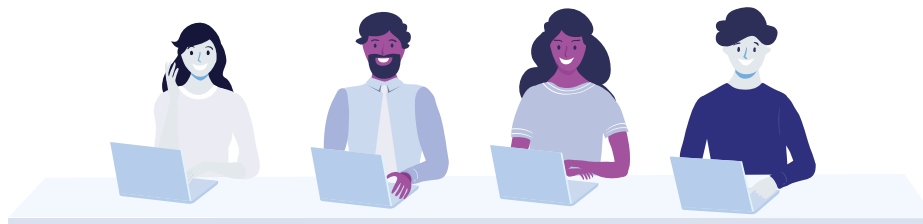

For the seventh consecutive year, Backgrounds Online was named a top background screening provider for employment purposes by HRO Today, the premier resource for HR leaders across the industry.

About the Baker's Dozen

The Baker's Dozen is an acclaimed event in which Consumer Reporting Agencies (CRAs) ask clients to review their products and services. It is overseen by the highly regarded organization HRO Today as an opportunity to highlight CRAs that excel in their industry and continuously earn the honor of serving their clients.

To qualify for the Baker's Dozen, CRAs invite their clients to complete a 40-question survey which evaluates their level of satisfaction in three core categories: breadth of service, size of deal, and quality of service. Only individuals who have worked directly with each CRA are permitted to complete the survey. This results in a fair, accurate grade for each provider of consumer reports.

Why We Placed

Backgrounds Online earned a spot at the top of the Baker's Dozen for employment screening thanks to your kind efforts. So many of you took a few minutes to complete the survey and share your feedback about us.

This is the seventh year in a row that we've received this honor. Placing again, especially at the top of the list, helps us understand that we continue to remain on the right track.
